## ***Non-LAUSD/Carpenter Community Charter-owned Technology Liability Release Form***

Student Name \_\_\_\_\_

Description of the items to be released from liability:

_____	_____	_____
Make	Model	Serial Number

Physical Description of Item: \_\_\_\_\_

The equipment listed above is not the property of Los Angeles Unified School District (LAUSD) or Carpenter Community Charter but is used by the single student named above, by our permission, on school property, including times and locations where it may not be supervised by school personnel. This permission must be sought annually.

This equipment may be used on school district grounds so long as the student follows the LAUSD Acceptable Use Policy(AUP) (renewed annually) and observes proper netiquette. It is further understood that this equipment will only be used for school related activities as instructed by the supervising staff member and according to the AUP guidelines. No LAUSD or Carpenter-owned software may be installed on this device.

Therefore, we release all liability and indemnify LAUSD and Carpenter Community Charter, its employees, and designees, from responsibility for any loss damage or or this equipment.

It is understood that no reimbursement will be paid for any loss or destruction of any personal property.
